(17) NOTICE AND AGREEMENT REGARDING RADON GAS: The United States Environmental Protection Agency (EPA) has indicated that radon gas may escape from some types of soils at elevated levels and become trapped in a home, regardless of the type of home or who builds it. The EPA has stated that prolonged exposure to elevated levels of radon gas for a sufficient period of time may increase the risk of certain types of health hazards. Purchaser may wish to contact the EPA to obtain a copy of publication EPA-402-K92-003 "Consumer's Guide to Radon Reduction," at the United States Environmental Protection Agency, Office of Air & Radiation, EPA Region 3, Mid-Atlantic Region, Mail Code (3AP23), 1650 Arch Street, Philadelphia, PA, 19103-2029, www.epa.gov/iaq, Toll Free: 1-800-438-2474, Phone (215) 814-2086. In addition, Purchaser may want to contact the EPA or state or local environmental authorities regarding the risk associated with elevated radon gas levels, methods of detection and measurement, and what, if any, remedial measures may be advisable in particular circumstances to reduce the risk of radon gas exposure.

Seller has performed no tests for the presence of radon gas on or around the Property and makes no representations, of any kind, regarding the present or future existence of radon gas or about acceptable levels of radon gas in or around the Property. Further, without limiting any other limitation of warranties provided or to be provided by Seller herein, **SELLER DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF GOOD WORKMANSHIP, HABITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING RADON GAS AS IT RELATES TO THE PROPERTY.** Purchaser releases Seller from any present or future claims or liability of any kind that Purchaser may ever have against Seller which in any way relate to the existence of radon gas in or around the Property, including, but not limited to, any expenses Purchaser may incur in any radon reduction methods that Purchaser may pursue if elevated levels of radon gas ever occur. This Section shall survive the delivery, acceptance and recordation of the Deed conveying title to the Property from Seller to Purchaser.

(18) NOTICE AND AGREEMENT REGARDING MOLD: Mold is a type of fungus that occurs naturally in the environment. Not all mold is necessarily harmful, but certain strains of mold have been shown to have adverse health effects in susceptible persons. Purchaser may wish to contact the EPA to obtain a copy of Publication EPA-402-K-02-003 "A Brief Guide to Mold Moisture and Your Home," at the United States Environmental Protection Agency, National Center for Environmental Publications, P. O. Box 42419, Cincinnati, Ohio 42419, www.epa.gov/iaq, Phone: (800) 490-9198. For more information on mold related issues, including mold clean up and moisture control, condensation and humidity issues, you can call the EPA Indoor Air Quality Information Clearinghouse IAQ INFO at (800) 438-4318. Purchaser may also want to contact the Air and Respiratory Health Branch of the National Center for Environmental Health at the Center for Disease Control and Prevention for more information on possible adverse effects on health that may be caused by mold. According to the U.S. Environmental Protection Agency's on-line Mold Resource Guide, "there is no practical way to eliminate all mold and mold spores in the indoor environment". Growth of mold requires moisture, and control of moisture within a home is generally recommended as the best way to control the growth of mold within a home. Purchaser should diligently inspect its home from time to time for excessive moisture and abate unnecessary moisture in a timely manner in an effort to prevent the growth of mold within the home.

Seller and its employees are not experts on mold. Seller has performed no air or surface tests for mold on or around the Property. Seller makes no representations, of any kind, regarding the present or future existence of mold or about acceptable levels of or types of mold in or around the Property. Further, without limiting any other limitation of warranties provided or to be provided by Seller herein, **SELLER DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF GOOD WORKMANSHIP, HABITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING MOLD AS IT RELATES TO THE PROPERTY.** Purchaser releases Seller from any present or future claims or liability of any kind that Purchaser may ever have against Seller, which in any way relate to the existence of mold in or around the Property, including, but not limited to, any expenses Purchaser may incur in any mold abatement methods that Purchaser may pursue if mold occurs on the Property. This Section shall survive delivery, acceptance and recordation of the Deed conveying title to the Property from Seller to Purchaser.

(19) SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, ABOUT THE EXISTING OR FUTURE ENVIRONMENTAL CONDITIONS OF THE PROPERTY, SUCH AS POSSIBLE PRESENT OR FUTURE POLLUTION OF AIR, WATER OR SOIL FROM UNDERGROUND MIGRATION OR SEEPAGE (INCLUDING RADON GAS) OR ANY OTHER SOURCE, AND DISCLAIMS ANY LIABILITY FOR DAMAGES ARISING OUT OF ANY EXISTING OR FUTURE ENVIRONMENTAL CONDITIONS OF THE PROPERTY.

20) BROKERAGE FEE: Seller shall pay at Closing to the Selling firm a total Brokerage Fee for services of three percent (3.0%) of the Purchase Price, or the final purchase price, whichever is less, less the amount of: (1) any settlement costs paid by Seller for Purchaser; and 2) allowance items reflected in the Purchase Agreement that are in excess of Seller's standard allowances. Each party hereunder represents that it did not consult or deal with any other broker or agent not disclosed as part of this Contract, real estate or otherwise, with regard to the Property or this Contract, and each party hereto agrees to indemnify and hold harmless the other parties from all liability, expense, loss, cost or damage, including, but not limited to, reasonable attorney's fees, that may arise by reason of any claim, demand or suit of any agent or broker arising out of facts constituting a breach of the foregoing representations and warranties. The parties acknowledge that from time to time Seller and/or Listing Broker may offer additional compensation to real estate agents in the form of special awards. Seller and Purchaser consent to the offering and payment of such additional compensation. Seller hereby authorizes and directs the Closing agent to remit the Brokerage Fee to the Selling Firm the amount of the Selling Firm's Fee from Seller's proceeds at Closing. The parties acknowledge that Seller shall pay Listing Broker, Long & Foster, REALTORS®, the listing commission outside of closing in accordance with the listing agreement between the parties. Should Purchaser default in the performance of this Contract, Purchaser shall pay the full brokerage fee stated in this Contract, as well as the listing fee due Listing Broker, together with Seller's reasonable attorney's fees and all other damages as set forth in this Contract. Both parties to this Contract agree that the amount of the brokerage fee provided for in the Contract is a reasonable fee based on the efforts of the Agents.

21) ASSIGNABILITY: This Contract may not be assigned without the prior written consent of the Seller. Purchaser expressly agrees not to offer for sale, list with a real estate agent or broker for sale, market, or otherwise attempt to sell, market, or convey the Property or any Contract rights to purchase the Property, prior to the recordation of the deed of conveyance of the Property to Purchaser.

22) FACSIMILE: This Contract may be signed in one or more counterparts, each of which is deemed to be an original, and all of which shall together constitute one of the same instrument. Documents obtained via facsimile machines shall also be considered as originals.

23) ADDITIONAL TERMS:

(a) Purchaser agrees to notify all appropriate utility companies to place those utilities in Purchaser's name as of the date of closing. Failure to do so may result in an interruption of services from the utility companies.

(b) In the event Purchaser fails to close for any reason other than being denied the loan to purchase the Property, provided such refusal is not caused by an act of default as defined in Paragraph 6, and provided this Agreement remains contingent on Purchaser's ability to secure financing, then at Seller's option, and in addition to all other rights and remedies provided Seller at law and/or equity, Purchaser's Deposit and all other sums paid by Purchaser to date shall be forfeited to Seller as partial liquidated damages. Purchaser further agrees that in the event of a default by Purchaser, Purchaser shall be liable for all reasonable expenses incurred by Seller in preserving and maintaining the Property, including, but not limited to, utility bills, grounds maintenance, repairs and real property taxes, as well as all costs incurred in attempting to resell the Property, including, but not limited to, the cost for Seller to change selections and colors made by Purchaser that Seller, in its reasonable discretion, believes need to be made to enhance the marketability of the Property, interest paid on loans securing the Property at the prevailing rate of interest on the Purchase Price from the Closing Date or the date from which Purchaser provides actual or constructive notice that Purchaser shall not close, whichever date is earlier, and the loss of use of the equity Seller has in the Property from the same date. Additionally, Purchaser shall be liable for the difference, if any, between the Purchase Price for the Property, as set forth herein or amended by Change Orders, and the purchase price ultimately received by Seller for the Property. Purchaser also agrees to pay all of Seller's costs incurred in any litigation arising out of this Agreement, including but not limited to, attorney's fees, witness fees and other costs, court costs and all other costs incurred by Seller related to the enforcement of this Agreement.

(c) Should this Contract be contingent on Purchaser securing financing and Purchaser does not close on this sale due to the Purchaser's inability to secure financing, (provided Purchaser's inability to secure financing is not caused by a Default action of Purchaser), then Purchaser and Seller agree that Purchaser's Deposit shall be returned to Purchaser less any expenses incurred by Seller making changes and/or alterations or additions to Seller's standard base house and standard finishes that were requested by Purchaser. Expenses incurred by Seller also include the expense of returning Purchaser's changes to Seller's standard plan and/or finishes if Seller determines in its sole discretion that doing so will enhance the marketability of the Property.

(d) Seller shall have the right to change the grades of the Property before or after closing to accommodate the grading of any lot adjacent to the Property so long as such lot is owned by Seller to allow for driveways and/or turn-arounds (or portions thereof) on adjacent lots and/or proper drainage. This provision shall survive delivery, acceptance and recordation of Deed conveying title to the Property from Seller to Purchaser.

(e) The obligations of Seller hereunder are subject to unavoidable delays due to labor disputes, acts of God or public enemy, governmental regulations and controls, fire or other casualties beyond the reasonable control of the Seller and any delays resulting from such events shall not constitute abandonment by Seller.

(f) After Settlement, Purchaser shall provide Seller with written notice of any defects in the construction of the Property for which Purchaser believes Seller to be responsible under Seller's one (1) year Limited Warranty, which Limited Warranty provides that Seller shall construct the improvements on the Property in substantial compliance with the version of the National Association of Homebuilders Residential Construction Performance Guidelines for Professional Builders in effect as of the date the building permit for the Property was issued, the terms of which Standards are incorporated into the terms of this Agreement and as set forth in Seller's New Home Guide. Purchaser's sole remedy for a defect in the construction of the improvements on the Property shall be the repair of the claimed defect, and Seller shall not be liable for any special, indirect or consequential damages, including, but not limited to, any damages based on claimed decrease in the value of the Property. Purchaser acknowledges that Seller shall determine the method and materials used in the repair of any items covered under its Limited Warranty as well as the manner in which such item is repaired in its sole discretion. Any claim arising from or relating to the Property or its construction shall be brought within two (2) years from the Closing date; provided, however, that the warranty on the foundation shall be five (5) years from the date of Closing or the date of Purchaser's possession of the Property, whichever earlier occurs. Purchaser further acknowledges that all non-emergency defects, e.g. plumbing leaks, roof leaks, HVAC, are to be addressed in the time frames outlined in Seller's New Home Guide. PURCHASER AGREES THAT PURCHASER'S FAILURE TO PROVIDE SUCH REQUIRED WRITTEN NOTICE OF SUCH DEFECT(S) TO SELLER OR TO ALLOW SELLER TO CORRECT ANY DEFECTS UNDER SELLER'S WARRANTY IDENTIFIED IN WRITING BY PURCHASER SHALL CONSTITUTE A WAIVER OF ANY AND ALL CLAIMS PURCHASER HAS OR MAY HAVE UNDER SELLER'S WARRANTY RELATING TO OR ARISING FROM SUCH DEFECT. THE PARTIES ACKNOWLEDGE AND AGREE THAT ANY CLAIM FILED IN A COURT OF COMPETENT JURISDICTION BY EITHER OF THEM SHALL BE HEARD BY A JUDGE, AND THE PARTIES HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY. The provisions of this Section shall survive Settlement and delivery, acceptance and recordation of the deed conveying title to the Property from Seller to Purchaser.

24) MISCELLANEOUS: All understandings and agreements heretofore made between the parties hereto are merged into this Contract, which expresses the parties' entire agreement, and no representations, oral or written, not contained herein shall be considered a part hereof. This Contract may not be altered, enlarged, modified or changed except by an instrument in writing executed by all of the parties hereto. Except as expressly provided to the contrary herein, the terms of this Contract shall merge into and not survive the acceptance and recordation of the deed of conveyance.

The laws of the Commonwealth of Virginia shall govern the interpretation, validity and construction of the terms and conditions of this Contract. The parties to this Purchase Agreement mutually agree that it shall be binding upon them and each of their respective heirs, personal representatives, successors and assigns. The invalidity of any provision of this Contract shall not affect the validity or enforceability of any other provisions hereof. The captions of this Contract are for the convenience of the parties and shall not be considered as material part hereof. This Contract may be executed in counterparts; each of which, when so executed, may be considered an original. Documents containing signatures obtained via facsimile shall be considered originals.

SUBJECT TO SALE, KICK-OUT AND SUBJECT TO CONSUMMATION CLAUSES
(Blanks in all clauses are to be filled out completely.)

This is an addendum the Purchase Agreement dated _____, between _____, Seller, and _____, Purchaser, on the sale of _____, Roanoke, Virginia. The following clauses are made part of the Contract.

SUBJECT TO SALE CLAUSE:

This Contract is subject to the Purchaser having Purchaser's property at _____ under Contract of sale THAT IS NOT SUBJECT TO THE SALE OF ANOTHER PROPERTY within 30 days of the above Contract date. It is also subject to that sale being consummated within 60 days of the removal of the Subject to the Sale Clause. It is agreed that the Purchaser will list this property exclusively with Long & Foster, REALTORS® or the sale agent for this Contract. If the Purchaser does not list Purchaser's property within 24 hours or have Purchaser's property under contract within the time period described above, Seller reserves the right to terminate this Contract by written notice to the Selling Agent. If this Contract is terminated, Purchaser will be entitled to a refund of the Deposit, in accordance with procedures defined elsewhere in this Contract, and thereupon none of the parties will have further obligation hereunder to the others.

The above 30 day period shall automatically extend itself if Purchaser's present home is not under contract of sale (that is not subject to sale of another property) within said 30 day period, except that Seller shall have the sole option anytime after 30 days to give Purchaser written notice that Seller is declaring this contract null and void and returning Purchaser's deposit, provided such written notice is given Purchaser prior to Purchasers' having their present home under contract of sale that is not subject to the sale of another property.

KICK-OUT CLAUSE:

If the Seller receives and accepts another Contract on the Seller's property THAT IS NOT SUBJECT TO THE SALE OF ANOTHER PROPERTY, it is agreed that this Purchaser shall within 24 hours from written or verbal notification of the Selling Agent and/or the Purchaser:

EITHER: Remove the above Subject to Sale and Kick-Out Clauses. If the Purchaser removes the Subject to Sale and Kick-Out Clauses, the Purchaser MUST, at the same time, provide a letter from a lender and/or financial institution stating that the Purchaser will qualify for the loan described in the Purchase Agreement based upon: (1) information provided at loan application, (2) a written credit report obtained by lender, and (3) verification of necessary funds to close without the sale of Purchaser's present property referenced in the Purchase Agreement. This qualification letter does not constitute loan approval.

OR: Terminate the Contract—The Purchaser may terminate the Contract. If this Contract is terminated, Purchaser will be entitled to a refund of the Deposit, in accordance with procedures defined elsewhere in this Contract, and thereupon none of the parties will have further obligation hereunder to the others.

SUBJECT TO THE CONSUMMATION CLAUSE:

If the Purchaser removes the above Subject to Sale and Kick-Out Clauses because Purchaser's property goes under contract, this Contract shall become Subject to the consummation of the existing Contract of Sale of the Purchaser's property, and the closing date reflected in the contract shall be adjusted to _____ days from date of deletion of the "subject to sale" contingency.

This Contract is further subject to the Seller receiving a copy of all contracts affecting the consummation of this sale within five (5) business days from date of removal of the Subject to Sale and Kick-Out Clauses. After the Seller receives and reviews the contract(s), and if the Seller does not approve the terms affecting the consummation of this transaction, the Seller, at Seller's sole option, will have the right, within five (5) business days from receiving said contracts, to terminate this Contract.

This Contract is further subject to the Purchaser's loan and all other loans being approved and Seller receiving a copy of the loan approval letters no later than 30 days from the removal of the Subject to Sale and Kick-Out Clauses. If the Seller does not receive the loan approval letters, the Seller, at Seller's sole option, will have the right to terminate this Contract upon notice to Purchaser.

The Contract is further subject to the Closing of Purchaser's property no later than _____ days from the removal of the Subject to Sale and Kick-Out Clauses. If the Closing of the Purchaser's property does not take place within the _____ days, the Seller, at Seller's sole option, will have the right to terminate the Contract upon written notice to Purchaser.

If the Seller terminates this Contract, Purchaser will be entitled to a refund of the Deposit, in accordance with procedures defined elsewhere in this Contract, and thereupon none of the parties will have further obligation hereunder to the others.

INSPECTION ADDENDUM TO CONTRACT

The undersigned, in consideration of the premises and of the following mutual promises and agreements, hereby agree to add to that certain Contract dated _____, by and between the undersigned relating to the purchase of real property known as _____, and more commonly known as _____.

1. **HOME INSPECTION:** This Agreement is subject to a home inspection at Purchaser's expense and performed by an inspector agreeable in advance to both Purchaser and Seller. The purpose of the inspection is RESTRICTED TO DETERMINING ONLY that the plumbing (including well, well pump and septic system, if any) heating, air conditioning, electrical systems and appliances are in safe working order, there are no structural defects, and the roof is free of leaks. As this is a newly constructed home, the inspection may also include the conformity of these systems to the current building code applicable to the Property. The inspection shall be completed within seven (7) days prior to the date of closing. Failure to complete the inspection within the specified time period shall forfeit the Purchaser's right to a home inspection.

Purchaser acknowledges that all mechanical equipment in this new home is warranted by manufacturer(s) and that the home is warranted for one (1) year according to Virginia law (Va. Code §55-70.1) from date of Closing, all as more particularly set forth in the Contract. Purchaser further acknowledges and agrees that numerous items noted by the inspector, whether or not such items are covered under this Inspection Addendum, may be of the sort which would be corrected before Purchaser's pre-closing walk-through.

RESULTS OF HOME INSPECTION: A copy of the written Home Inspection report shall be given to all parties to the Contract, including the Selling Agent and Seller's Agent, within two (2) business days from date of the inspection. If the report reveals defects covered under the Home Inspection provision, the Purchaser shall provide Seller, within two (2) business days from receiving inspection report, a written amendment specifying which covered problems Purchaser would like Seller to correct. Seller shall notify Purchaser in writing within two (2) business days after receiving the written amendment whether: (a) Seller shall correct specified problems in a manner which conforms to industry standards. All repairs made on behalf of Seller shall be performed by the Seller, a licensed contractor in the Commonwealth of Virginia, or (b) Seller may reserve the right to give Purchaser credit for repair work at closing, and in such an event, Purchaser shall be responsible for repairs, or (c) if Seller is unwilling to correct specified problems over and above the required amount set forth in paragraph 4 below, "Seller's and Purchaser's Options", Seller, in writing, shall notify Purchaser. Upon receipt by Purchaser of Seller's notice described in part (c) above, Purchaser will have five (5) business days within which to notify Seller in writing regarding which option under paragraph 4 below Purchaser elects, and in the absence of any written notice from Purchaser to Seller within that time, Purchaser will be deemed to have waived correction of the specified problems over and above the amount specified in paragraph 4 below.

2. **RADON INSPECTION:** Purchaser shall have the right to have a Radon Test conducted for the residence constructed on the Property. The Inspector shall be certified by the National Environmental Health Association (NEHA) and/or the National Radon Safety Board (NRSB). The choice of Inspector must be agreeable to all parties, and inspection shall be paid for by Purchaser. If radon is found to be present at levels which exceed the action level established by the Environmental Protection Agency (EPA), Seller, at its expense, shall take corrective action recommended by the Inspector in order to obtain a test which meets EPA standards, e.g. properly install a radon mitigation system. Such work shall be performed by a mitigator certified by NEHA and/or NRSB so that a test may be obtained which meets EPA standards. Seller shall pay for the verification test(s) after the remediation has been completed. A list of certified inspectors and mitigators may be found at the following websites: www.NEHA.org and www.NRSB.org. A copy of the written radon inspection report shall be given to all parties to the Contract, including the Selling Agent and the Seller's Agent, within _____ business days from date of the inspection(s).

In order to facilitate a timely closing, Purchaser agrees to schedule any radon inspection to begin on a Friday afternoon after 4:00 p.m. so as not to impede any work in progress on this home. Purchaser shall give at least 48 hours notice to Seller as to the scheduled time for the inspection to begin. Purchaser acknowledges that if radon testing cannot be done on a weekend, or if mitigation is required, the Closing may necessarily be delayed by the number of days required to complete testing and receive the results and mitigate, if necessary.

TIME IS OF THE ESSENCE FOR THE PROVISIONS OF THE HOME AND RADON INSPECTION CLAUSES.

3. **INSPECTION RESULTS:** Purchaser shall be deemed to waive any inspection if the results of such inspection are not delivered within the time specified above. Notwithstanding any other provisions of this Contract, Purchaser shall have the option to waive any inspection(s) hereunder.

4. **SELLER'S AND PURCHASER'S OPTIONS UNDER HOME INSPECTION:** If the total cost of fulfilling Seller's obligations under the home inspection clause exceeds \$500.00, Seller shall have the option to (a) pay the total costs, or (b) pay \$500.00 to Purchaser at Closing and refuse to pay any excess over that amount. If Seller chooses (b), Purchaser shall have the option to (1) accept the Property in its present condition, in which case Seller shall pay \$500.00 to Purchaser at Closing, or (y) terminate this Contract and receive a refund of the Deposit, in accordance with the procedures as required by The Virginia Real Estate Board and/or, if this is a V.A. contract, as required by Section 1806, Title 38 of the U.S. Code.

The original contract between the undersigned, in addition to this addendum and all other addenda, remains in full force and effect.
